1 st Attempt answers in simulator	1 st PMP exam	2 nd PMP Exam	3 rd PMP Exam	Overall pass rate
<50% correct	42%			42%
50-60% correct	32%	20%		52%
60-70% correct	73%	13%	4%	89%
70-80% correct	91%	7%	2%	99%
80-90% correct	100%			100%
90-100% correct	50%	50%		100%

You have answered a total of 182 questions in the simulator and of these, 26% were correctly answered in your first attempt.

This page will be filled with data over time. 60 days after your account with the paid PM Exam Simulator expires we will send you an email asking you to tell us, if you passed or failed your PMP Exam.

Your feedback is important, because without your response, we cannot create meaningful statistics for the other students.
